

You Make a Difference

If you care about kids and want them to thrive in your area, you have something valuable to offer. Kids need you.

P.S. Did We Mention Fun?

By serving on Young Life committee, you'll be a critical part of helping volunteers to enter the world of kids and introduce them to Jesus — and you'll have a blast. Join the party and be a gift to kids in your community.

Young Life's Mission

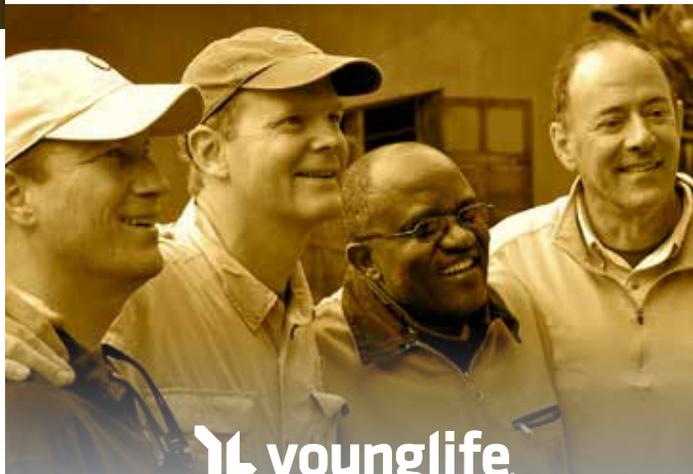

1. Kids around the world are searching for belonging, hope, and life.
2. We're in it with kids and accept them as they are — no strings attached.
3. Kids are invited to experience life as God designed it to be lived.

Join us in our mission of introducing adolescents to Jesus Christ and helping them grow in their faith.

As you experience Young Life, we hope you will decide you were made to get involved. To learn more, locate your local Young Life office through younglife.org or call: 877-438-9572.

What to Do?

If you know today's kids, you know they're under pressure — to fit in, make friends, perform and even to make it through another day. And if you love kids, you want them to know there is more to life. More freedom. More fun. More hope and a greater sense of belonging and purpose than they can see right now.

But what can one person do? I can't be at the school. I have so little time. I'm not sure I can help.

Simple and Powerful

Adults like you can make a difference in kids' lives by doing what you do already. There are many ways for adults to rally behind Young Life in your community. Here are just a few examples:

Advocacy. Use your influence in the community to talk about Young Life or introduce leaders to other parents, church leaders or school administrators.

Leader Care. A note, a conversation over coffee, a home-cooked meal, a gas card, or a Christmas gift. These are meaningful ways to support leaders, our lifeline to kids, in your area.

Event Planning. Hosting a golf outing, fundraising race or banquet is no small task. But many adults have the know-how and connections to make these events real celebrations.

Financial Management and Donor Care. Are you a strategic thinker and adept with numbers? Coming alongside staff members to manage a budget and attract financial resources is a key committee contribution.

Prayer. Young Life started with prayer and exists through prayer. You can be part of a team that prays for staff, leaders, schools and kids.

You Have What it Takes

Young Life, the global outreach ministry to kids of all kinds in over 100 countries around the world, started simply: just a small group of adults who prayed for kids at the local high school and one pastor who decided to go to the school and meet kids right where they were.
