

*It shouldn't
Be so hard to*
Make a Difference

So why does it often feel that way? And where will your contribution — what you can uniquely do — make the biggest impact?

*With Young Life, making a difference
is as simple as showing up.*

By showing up in the lives of kids, our volunteer leaders invite them to experience adventure, fun and purpose — full life as Jesus offers it.

Along the way, as a Young Life leader you'll experience similar benefits. You'll grow closer to God, tackle new challenges, and experience the exciting journey God has for you.

Young Life's **Mission**

- 1.** Kids around the world are searching for belonging, hope, and life.
- 2.** We're in it with kids and accept them as they are — no strings attached.
- 3.** Kids are invited to experience life as God designed it to be lived.

Join us in our mission of introducing adolescents to Jesus Christ and helping them grow in their faith.

As you experience Young Life, we hope you will decide you were made to get involved. Find your local Young Life office through younglife.org or call: **877-438-9572**.

You're Invited

Today, tens of thousands of men and women around the world are volunteering with Young Life. They're building lifelong relationships with kids, growing closer with other leaders and going deeper with God.

And God is using their unique gifts to form bonds with kids who desperately need guidance.

As a leader, you'll:

- **Get trained** on how to connect with kids and invite them to think about God in new ways.
- **Experience challenge and adventure** as you make a difference in the lives of spiritually hungry kids.
- **Grow closer to Jesus** and fall more in love with Him.

"It's an amazing feeling to be the person who steps in and says, 'This is what life is about. Jesus is what life is about.'"

— Krisangela, a Young Life volunteer leader

You Were Made for This

Making a difference with Young Life is as simple as showing up. There's a place for you in Young Life as a volunteer leader. You'll bring life to kids who need it — and be changed yourself.

"Young Life is the number one place in my life right now where I'm deepening my faith. My growth is exponentially greater when I'm out of my comfort zone. There's nothing I learn more from ... This is who I want to be all the time."

— Parker, a Young Life volunteer leader
