Make a Difference

Your contribution can change a life, a community and the future.

Investing in multiethnic kids is an investment in the future. With the support of Young Life leaders, many of these kids not only graduate from high school, they go on to college and then they give back to the communities they call home. That positive cycle can begin with your regular financial support, one-time gifts to camp scholarships, leadership involvement, community advocacy and prayer.

Meeting kids where they are

For multiethnic kids, adults often come and go. Young Life leaders, on the other hand, *come and stay*. Committed to kids' wellbeing, leaders innovate traditional Young Life methods with a relevant message of hope, wholeness and belonging in a family of faith.

CLUB is a weekly gathering of fun, games, skits and a gospel message that may be held at an area school or church. Club may be preceded by a meal or time to shoot hoops or just hang out, meeting needs as leaders discover them.

Under-Resourced and Disadvantaged

The kids we care for in our Multiethnic ministry face economic, social and sometimes cultural obstacles. They're in need of caring adults in their lives and in need of the truth of the gospel.

Young Life leaders reach out to these kids in diverse cultural communities and economically depressed areas, walking together with them through life, and inviting them to experience the new life Jesus Christ offers.

CAMP is a week for kids to explore a new way of life. Many multiethnic campers have never left their homes before, don't enjoy regular sit-down meals or have never experienced outrageous adventure. At camp they are welcomed with hospitality and love so they might experience the astonishing goodness of God.

CAMPAIGNERS is a weekly time for going deeper — in God's Word and in the understanding of God's promises and provision for each of us.

Young Life's Mission

1. Kids around the world are searching for belonging, hope and life.
2. We're in it with kids and accept them as they are — no strings attached.
3. Kids are invited to experience life as God designed it to be lived.

Join us in our mission of introducing adolescents to Jesus Christ and helping them grow in their faith.
