

Thirsty For More

As a teacher, you see kids in the hallway every day. You know the pressures they face, the unrelenting expectations of school, parents and peers.

And while you help kids academically, they are thirsty for more. They're thirsty for significance. For love. For hope.

They're thirsty for the gospel.

Young Life's Mission

1. Kids around the world are searching for belonging, hope, and life.
2. We're in it with kids and accept them as they are — no strings attached.
3. Kids are invited to experience life as God designed it to be lived.

Join us in our mission of introducing adolescents to Jesus Christ and helping them grow in their faith.

As you experience Young Life, we hope you will decide you were made to get involved. To learn more, locate your local Young Life office through younglife.org or call: **877-438-9572**.

In It With Kids

Since 1941, Young Life has been in it with kids — in their whirlwind world of pressure and needing to perform. We enter the world of kids because we believe every kid deserves to know the love of Jesus, has the right to make a decision about Him and ought to be cared for regardless of their response.

Thousands of volunteers have already signed on.

Real Hope

Our mission is simple. Hang out with kids. Invite them to experience the truth of God's love. Watch as lives are changed. As a teacher, you have the opportunity to change a kid's life inside the classroom. As a Young Life leader, you'll have the chance to care for kids outside the classroom — and see their lives changed forever.

Young Life volunteers have the opportunity to live out their faith every day. They answer questions honestly and volunteer with Young Life outside their official capacity — caring for kids' deep emotional and spiritual needs.

You are already a person of influence with kids. Now there's a way to impact their lives forever.

Lasting Change

When you lead a Young Life ministry in your school, you will get the chance to engage kids at profound levels, to speak to issues you don't have the time to tackle in the classroom and to care for kids' hearts as well as their heads.

You'll see kids blossom and grow as their entire lives are changed. They'll receive the support to become better people as well as better students as they experience the deep love of Jesus.

To join thousands of volunteers with Young Life today, contact your local area or visit younglife.org to learn more.
