

# Join the Adventure

1. We believe everyone is looking for friendship, support, and someone who understands.
2. At YoungLives, you'll meet a group of mentors who get where you're coming from and can help you learn the skills needed to be the best mom you can be.
3. Along the way, we want to help you run after your dreams and experience life as it was designed to be lived.

To find out more, locate your local YoungLives office by visiting [younglife.org](http://younglife.org) or calling 877-438-9572.

*You Are* **Loved.**

At YoungLives we help you hold on to that truth — for you and your child — today and always.

*"YoungLives is a place where I don't feel alone because all the other girls in the program are in the same position as me. We are trying to make our babies' lives better."*

support and fun in YoungLives!

## CLUB

Club is a time of fun and laughter with other teen moms and mentors. You'll find food, activities, music, childcare and a message about real life. Club is free, and you don't have to be a "member" or anything like that — all teen moms are welcome.

## CAMP

Camp is created just for you and your child. It's a place where you will laugh hysterically, eat fantastic food and have great conversations. There will be time to make lasting memories with your child and also enjoy all that camp offers while your child is cared for by excellent childcare volunteers. Come and experience the best week of your life!

## CAMPAIGNERS

Campaigners is for moms who want to go deeper. Here, you can share what's happening in your life, talk about God and ask hard questions. You'll experience support from mentors, deeper friendship with other teen moms and a new look at life.

*"YoungLives means everything to me. They helped me so much when I found out I was pregnant. I was terrified! YoungLives helped me to realize that **I'm not alone**. I thank them so much for everything they have done for me!"*
