Legacy Program Purpose

The Legacy Program serves the mission of Young Life by accurately documenting and making accessible its history.

Goals

- **BUILD A COMPREHENSIVE COLLECTION** of materials of lasting importance that document God's work through Young Life.
- **PROVIDE RESOURCES** for present and future staff and volunteers to use in Reaching a World of Kids and promoting Young Life.
- **HONOR THE LEGACY** of those who have served Christ through Young Life.
- **SERVE AS A REPOSITORY** for alumni, staff, volunteers and friends of Young Life to deposit their stories, records and memorabilia.
- **INSPIRE FUTURE YOUNG LIFE STAFF** and volunteers to carry on the legacy.

What the Legacy Program is NOT:

- **A MONUMENT** — We are an active part of Young Life, sharing the legacy of the mission.
- **THE ARK OF THE COVENANT** lost in a warehouse — this is your collection, saved and preserved for **USE**. You are invited to come and see!

The Legacy Program

COLLECTS

The Legacy Program collects photographs, documents, letters, testimonies, films, camp-related items, regional and local area records, Service Center records and publications — anything that tells the story of how Young Life has made an impact on the lives of young people around the world.

ARRANGES AND PRESERVES

All items are housed in archival quality enclosures, stored in a climate-controlled facility, and arranged and cataloged by a trained archivist. The Legacy Program employs archival practices and standards to ensure the longest possible life for the items in the collection.

PROVIDES ACCESS

We collect not only to preserve our legacy but also to make it accessible to staff, alumni and friends worldwide. Key documents, photographs, slides and films are digitized to provide greater access, and all collections are cataloged in our searchable database. Contact us to see if we have what you are looking for!
