

WYDLIFE is Young Life's program for middle school kids. We seek to keep kids informed with the latest WyldLife happenings via email, cell phones, text messages and Web communication. WyldLife also greatly values parents, and we want you to be informed about our work with teenagers as well as have the opportunity to support us in any way you can. Please take a moment to fill out the information below and return at your convenience.

We look forward to connecting with you and are available to answer any questions or concerns.
